

# LDAS NEWSLETTER

MARCH 2026

Our new-look identity is here . . . on our website and Clubmate App.

You would have received, by now, a 'rejoining' email, advising you of the new features on the App, and how easy it is to rejoin . . . just by clicking on the blue bar on the front screen of the App. That says, 'Renewal Available'. (from 1<sup>st</sup> March)

Follow the online instructions by choosing your Membership Plan and continue to the payment screen. The new navigation will make it easy to connect to the most important features of the club, and discover some new opportunities.

If you have not installed the Clubmate App yet, do it now from one's of these links:

[Click here to download the CLUBMATE iOS app via the App](#)  
[Click here to download the CLUBMATE Android app via Google](#)

## **WILLINGHURST NEWS**

After many years of offering our members a generous benefit when visiting this fishery, they have now with-drawn from our partnership as from 1<sup>st</sup> April 2026.

We will continue to look to reestablish this benefit from another fishery, and hope to bring you news of this in the near future.

### **Volunteer Opportunity**

We are currently seeking an **Assistant Fisheries Officer for Long Copse** to support Stuart Stafford during the coming season.

If you're interested in helping, please reply to this email or contact Stuart directly at: [stuart15@hotmail.com](mailto:stuart15@hotmail.com)

---

Thank you for being with us throughout this past season, and we hope to see you again for lots more exciting fishing opportunities.

Tight lines  
David Balaam
