JUNE 2026

Oh to be in England, now that summer's here. . . . (apologies to Robert Browning) . . .

And it is, with a vengeance. Of course, it should go without saying that this hot weather brings its issues as well as positives. Please respect the following:

DO NOT leave any food or bait in your swim – this can attract rats. **TAKE HOME** any rubbish if the bins are full.

DO NOT BE TEMPTED TO swim in the ponds.

DO KEEP NOISE down and respect other members who are fishing.

DO NOT USE floating bait or bread at Long Copse.

'Parents of junior members are politely reminded that under 12's may only fish on our waters if supervised by a responsible adult at all times. This club rule is to ensure that we adhere to the terms of our insurance policy and those of our lease with our local council landlords'.

Just enjoy the weather and keep hydrated, and use sun protection, and wear a fashionable **LDAS Baseball Cap** you can purchase online.

As all members are aware, **Anti-Social behaviour** at any of our waters will not be tolerated. There is the Incident Report found on the App to send a report to our bailiffs, but the committee have introduced a faster way of alerting us of anti-social behaviour by calling a dedicated phone number where immediate action can be taken. This number is **07395 835986** It can also be found on the App. in a new Icon called **ANTI-SOCIAL REPORTING**
