FEBRUARY 2026

It's been another very wet and windy start to the year. Our thoughts are with those in the West Country who have experienced severe flooding and disruption. Thankfully, we remain relatively protected here in the South East. While the River Mole occasionally overflows, we are fortunate that conditions are rarely as severe as elsewhere.

Annual General Meeting – 26 February

Our AGM will take place on **26th February at 7:30pm** at the **Ashtead Peace Memorial Hall**.

If you are able to attend, please confirm via the email notice that has been sent out. At this year's AGM, we hope to elect:

- A new **Competition Secretary**
- A new **Chairman**

Clubmate App Updates

Exciting improvements to the **Clubmate App** will be launched on **26th February**. Be sure to keep an eye on the app for new features and updates designed to enhance your membership experience.

Membership Renewals

Renewals for the upcoming season will open on **1st March**.

All members will receive a letter in mid-February with full details and instructions on how to rejoin.

Volunteer Opportunity

We are currently seeking an **Assistant Fisheries Officer for Long Copse** to support Stuart Stafford during the coming season.

If you're interested in helping, please reply to this email or contact Stuart directly at: stuart15@hotmail.com

In the meantime, please continue to enjoy your fishing throughout the remainder of the membership period. I look forward to seeing many of you at the AGM.
