

NEWSLETTER

DECEMBER 2025

Winter has arrived and has started wet and windy. . . however, whenever I see the weather forecast, I am pleased we live in the South. The Northwest takes a battering every time.

Our waters, however, are looking good and the river is at a good level, but please be mindful of the muddy 'swims' on the river, and do report any good catches.

Not a long Newsletter this month, but just to say there are a few more **Matches** in the New Year in January and February, so do check out the Match Booking Form.

A '**date for the diary**' is 26th February for our **AGM**, at the Ashtead Peace Memorial Hall. Further details will be sent in January.

On behalf of the LDAS Committee and all of your Bailiffs, I would like to say 'thank you' for being part of our ever-expanding friendly fishing club, and we wish you Seasons Greeting's and a very Happy New Year.
